

# **General Linguistics Seminar**

Trinity Term 2025

Hosted by Daniel Altshuler and Colin Phillips

The following seminars will be given on Mondays 5:15 pm @ Main Hall, Taylorian Institute

## Week 1 (28 April)

**Be or not be? Predicting auxiliary selection in Romance without relying (too much) on argument structure**

Marc Olivier (University of Oxford)

## Week 3 (12 May)

**Stability, Change, and Variation in Romance Clausal Structure**

Sam Wolfe (University of Oxford)

## Week 4 (19 May)

**Object drop and the role of intentionality**

Raffaella Folli (Ulster University)
